DETAILED ACTION

Claims 1-4, 6-16 and 18-31 are presented for examination.

Claims 5 and 17 have been cancelled.

Allowable Subject Matter

1. Claims 10-12 and 22-24 allowed.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 1, 13 and 25 is rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential steps, such omission amounting to a gap between the steps. See MPEP § 2172.01. The omitted steps are: adding Sender-chain field to an electronic mail message header section when forwarding the chain forwarded electronic mail message to another recipient, said Sender chain field being associated with a list chain sender addresses found during searching body section of the electronic mail message.

3. Claims 1, 13 and 25 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. It is not clear why the header section of the

Art Unit: 2155

electronic mail is searched for one or more chain sender **addresses of senders** having sent said message **prior to said most recent sender** when the header section in preamble was defined containing fields indicating the **sender address of a most recent sender** of an electronic mail message

4. Claims 2-4, 6-9, 14-16 and 18-21 and 26-31 are also rejected under 35 U.S.C. 112, second paragraph, basing upon the virtue of dependency on the base claims 1, 13 and 25.

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
